Philosophy: Bright Beginnings is a developmental preschool with curriculum that focuses on the whole child: emotional, physical, intellectual and social. A variety of strategies and techniques are used to accommodate different learning styles. Activities are designed to be hands-on and developmentally appropriate. Children in Bright Beginnings learn to be self-sufficient, problem solvers and thinkers. Parents learn how to participate actively and effectively to promote learning in young children.

Core Curriculum: Based on State Guidelines

- Small group and large group learning options
- Math and number concepts including beginning counting, sorting, simple addition & subtraction, sequencing and shapes
- Presentation of alphabet letters and letter sounds through songs and games
- Language concepts: rhyming, opposites, and directional words
- Weekly classroom science activity
- Large and small motor activities including beginning scissor skills
- Development of listening and speaking skills through circle time activities and show & tell
- Exploration time where each child can choose their activity and play area (inside & outside)
- Music, art, directional games and dramatic play activities daily. Cooking project once / week
- Daily health education including nutrition and exercise
- 2-3 Community Field Trips / quarter

Parent Participation: Parents are an integral part of the preschool program.

- Participate once each week in your child's classroom. Provide a sub for any absence
- Wear a work card and supervise children at play, and at learning centers
- Complete all tasks as directed
- Provide a healthy snack for the class once each quarter following the school nutritional guidelines
- Be prepared and participate actively in the classroom and at weekly parent meeting**
- Complete assigned reading, homework, projects and survey assessments as directed**
- Arrive and Leave on time.

**These classes qualify for reduced fees through Adult Education Block Grant (AEBG) funding based on active parent participation and survey assessment described above.
