

The Norwalk-LaMirada Unified School District has a school uniform policy for all students in grades Tk-8

Lampton Uniform Attire

- White short or long sleeved shirts with collars - no athletic style T-shirts
- Lampton shirts in white or school color
- Dark navy blue skirts, skorts, jumpers, pants or shorts. (Denim jeans are discouraged as they easily fade and will create an undue financial burden to parents for replacement.)
- Shoes that allow for participation in physical education (ie. tennis shoes)
- Students may continue to wear jackets or sweaters that they have already been using for cold and/or wet weather as long as they meet the dress code. (When you replace them, please do so with navy blue or white sweaters or jackets.)

Resources will be available to assist economically disadvantaged students. An Opt-Out form is available in the school office. This must be completed annually.
