

iReady home use directions

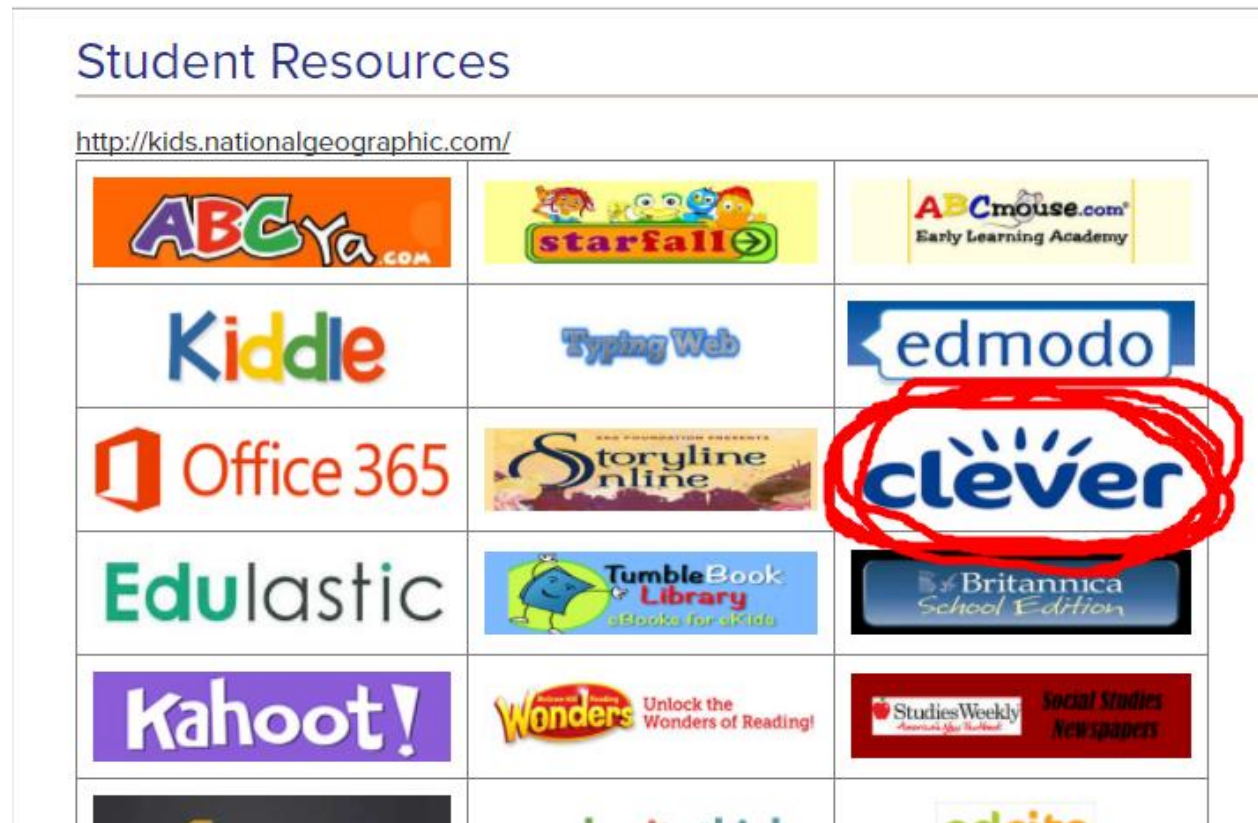

Navigate to the Kittrell webpage.

www.kes.rcschools.net

Once there, you will click on the students tab. Go to student resources.

You will then click on Clever. This is a program that we use to log in to iReady and Moby Max.

You will then be prompted to put in your username+rcschools.net and password.

Ex: doej1234@rcschools.net

This is the same username and password that the kids have used all school year to log in to the computer.

You will then click on iReady to get to the program.

i-Ready

MobyMax

You may need to set up a guest profile for your child if they have trouble logging in. Our program uses Office 365 to log in and may interfere if you use this as your email provider.
