Message from the Principal

Hello Parents!

Happy almost April! The weather seems to be temporarily warming up which is perfect for Spring Break next week. I hope you enjoy that time with your child.

In practicing safety, the students had really great questions about cell phones and parents. In case of an emergency, I asked the students to turn off all their cell phones until it is safe to turn them back on. We want to make sure all the students stay completely safe and silent. This will prevent any mistakes or nervousness when they can't answer their parent's call. I also explained to the students the importance of staying with their teacher to make sure they are accounted for. If a student leaves before they are verified safe, we will search for them until they are found. Please help us keep your child safe.

We are continuing to register for kindergarten and transitional kindergarten for the 2018-2019 school year. Please come to the office to pick up a registration packet. We look forward to having your child here at Ramblewood.

Our Jump for Heart event was a success! We raised \$1071.00 for the American Heart Association. The prizes were ordered and will be here in 4-6 weeks. Thank you for your support.

The family night at Chipotle raised about \$250.00 for the parent group. Thank you for having dinner to help us out!

Next month we will have our Buy 1 Get 1 Book Fair. Students will be able to purchase a book and receive one free. It is not the same as 50% off. Students will get the second book that is the same price or a lesser amount. Please remember tax (9.25%) is added to all the purchases. If you would like to help with the bookfair, please let me know.

It has been brought to my attention multiple times that the pick-up and drop-off is really awful. In discussing this with some parents and teachers, one solution would be to close the parking lot at 7:45 and have students picked up and dropped off on Dundale, along the park with parents only driving from Lightland to Alvernaz so students are dropped off on the sidewalk. You will receive a notice with an exact date of when we will try this out. Please let me know if you have any other solutions to this problem.

I mentioned before that this last part of the year will seem to go by very quickly. For your planning purposes, here are a few dates to keep in mind:

Kinder graduation June 14 at 10:00 AM

6th grade promotion June 14 at 2:30

BBQ June 15 from 9:30 - 12:00 - Students will be released from the park.

Have a great April and break!
Mrs. Fernandez
