

Purchase Spirit Wear Online

You Asked...We Listened!!

In an effort to bring you the widest selection of high quality and trendy spirit wear, Mary Help of Christians Academy has partnered with PrepSportswear.com to offer our spirit wear online. Prep Sportswear eliminates high order minimums, allowing you to purchase single items in any of the available customizable designs.

What About the Chic Boutique?

Don't worry! Our campus store will remain open and stocked with a selection of popular, reasonably priced items.

Why Not Carry These Items on Campus?

Stocking spirit wear in a range of sizes and options is risky and costly. Prep Sportswear eliminates the Academy's risk of losing money when items don't sell and gives you many more options to choose from.

Why Prep Sportswear?

We checked many spirit wear sites and found they all had similar pricing. In the end, Prep Sportswear came out on top because it offers us the chance to earn commission on each order without having to markup the price you pay. In order for your purchase to benefit the Academy, you must click one of our banners or our [custom link!](#)

Are There Any Discounts Available?

Yes! Choose from the "Prep's Picks" category and bundle 3 items to save 10%. Bundle 4 and save 15%! Save 10% when you sign up for the Prep Sportswear newsletter.

Can I Order in Bulk to Save More?

Bulk orders are available! Choose from the "Bulk Order Items" category, and save on quantities of 6 or more (12 or more for embroidered designs).
