Community Service Contract

Whereas: I signed a contract to earn a grade of “C” or higher in each college course I take. Failing to do so will put me on probationary status and makes me subject to paying for the course; and

Whereas: I have chosen to complete some of my financial obligation by doing community service, I agree to the following conditions of this contract.

Community Service Contract:

1. I will complete 30% of the financial obligation by doing community service. This includes the cost of tuition and fees.
2. The community service will be completed by May 1 for charges accrued during the fall semester, and by December 1 for charges accrued during the spring or summer semesters.
3. The community service must be PRE-APPROVED and will be tracked by the Business Manager.
4. Community service is defined as work done for someone, who is not a member of your family, for which you receive no compensation, monetary or otherwise. Community nonprofit organizations are recommended for this service.
5. The rate of payment for the community service will be \$8.00 an hour.
6. A log sheet of time must be completed and signed by the designated supervisor.
7. If the community service is not completed by the due dates, the community service option will no longer be available, and the remainder will become due and payable through the Business Manager’s office.

Therefore: I agree to work _____ hours by doing community service. Upon completion, my school fees account will be credited with \$_____.
