

IMPORTANT TUITION INFORMATION

Dear Parents and Guardians:

We are excited to share some great news with you. Our Lady of Grace School partners with FACTS Management Company to extend to you payment plans to fulfill and manage your tuition and fee payment obligations. Partnering with FACTS will allow us to focus on issues that directly impact the quality of our educational program, and shift resources to increase the time spent on enrollment and development activities. FACTS serves over 6,000 schools nationwide, and is the largest provider of payment plans to faith-based and private PK-12 schools in the country. Nearly 2 million families enjoy the convenience and flexibility offered by their services. FACTS offers:

An Easy Enrollment Process: Since all families will be participating in this program, you'll be able to visit Our Lady of Grace School's Web site at <http://www.olgscott.net/> and click the **FACTS logo to enroll**.

Payment Options: Once you enroll in FACTS, you can choose your payment plan, selecting a monthly due date and payment method that works best for your family:

an invoice mailed to your home, so you can pay with a check,
an invoice delivered electronically for online payment,
an automatic debit from a savings or checking account, or
payment via a credit card (with a nominal convenience fee added).

Convenient & Secure Account Management:

You will have the ability to manage your account via FACTS' secure website: <https://online.factsmtg.com> 24/7, and have access to account managers around the clock to answer your questions. Checking your account balance, making a payment, adding a bank account or credit cards for added convenience, adding an additional authorized payer, or updating your personal information is a couple of clicks or taps away.

FACTS' Actively Managed Payment Plans allow you to choose your tuition payment plan. Choose one payment, semester payments, or various monthly payments to spread your students' education expenses over smaller monthly installments paid over the course of the school year. Perhaps the best news is that there is no out-of-pocket cost to you to participate in the program.

Please know that FACTS will be serving all families in our school. **If you do not choose a payment plan, one will be chosen for you!** It will help us to focus on what we need to do to continue to grow our school.

Thank you for your continued loyalty and support for Our Lady of Grace Catholic School. We appreciate your commitment, and depend on your support as we strive to provide the highest quality of education for your children.
