

PUBLICITY, RENWEB, EMAILS, AND WEBSITE RELEASE FORM

Occasionally St. Pius X School sends news items to local media about student achievement. We also request newspaper and television coverage of interesting projects occurring in a class as well as special events at our school such as assemblies, field days, and the science fair. There may also be occasions when the newspaper and television media may contact St. Pius X School asking that they be allowed to photograph or film and talk with students in regards to the stories. As a result, your child’s image, name, and comments may appear in the media.

The St. Pius X School website, **elpasostpiusx.org**, is also another place where we share our education program and showcase students’ work to our parents and the public through text and photos about our school. In featuring student activities on our website, we include recognizable photos. These photos remain on the website for an unspecified amount of time.

The purpose of this form is to indicate your preference regarding the St. Pius X website and publicity. Please fill out the appropriate space below.

_____ My child **may be included** on the St. Pius X School website, and/or publicity outlined above.

_____ I prefer that my child **not be included** on the website and/or publicity; therefore, I will discuss this matter with him/her.

Please note: We cannot guarantee that your child will not be displayed on our website and/or be part of any publicity; this is only our commitment to do our best to prevent this from happening.

STUDENT NAMES

GRADE ENTERING

PARENT’S NAME (PLEASE PRINT): _____

PARENT’S SIGNATURE: _____

DATE: _____
