Music Scholarship Application

Eighth grade girls interested in the music program at St. Hubert are invited to apply for the Vocal and Instrumental Scholarships, which each award \$1000 per year to the scholarship recipient. Each student will audition for the scholarship. Audition requirements are as follows:

Instrumental:

Prepare major scales up to 3 sharps and 3 flats (C, F, Bb, Eb, G, D, A). Scales should be performed at a consistent tempo of the player's choice using either quarter note or eighth note rhythm.

Prepare two contrasting pieces (or movements in a larger piece). The pieces should be about a minute in length and reflect the player's ability to play different styles of playing (ex. Legato and slow vs. staccato and fast, etc.)

At the end of the audition, there will be a brief interview about the player's previous musical background.

**We are currently ONLY accepting orchestral instruments- NO guitar or piano. Piano may be used as an audition instrument; however, if accepted, the player will be asked to learn another instrument to play in the orchestra.*

Vocal:

Students will prepare two scales in their vocal range - one octave, ascending and descending on either solfeggio (so-re-mi, etc...) or syllable "la".

Alto A and C
Soprano E and G

Students will prepare two pieces from different periods: Classical, Romantic, Modern (Broadway). No pop tunes, please.

At the end of the audition, there will be a brief interview about the player's previous musical background.

Auditions will be held on **1/9/2018 (3:15 – 5:30pm)** and **1/10/18 (3:15-5:30pm)**. Please complete the form below and indicate your preferred audition date. You will receive an email confirmation of your audition date and time.

Completed application forms can be mailed to no later than January 5, 2018
