MENTAL HEALTH

→ *Student Assembly Series*

Students will have the opportunity to interact and meet our special Guest Speaker, Ross Szabo. He is an award winning researcher, author and motivational speaker that recently published *Behind Happy Faces; Taking Charge of Your Mental Health*, a book that addresses positive Mental Health. Through humor and storytelling techniques, Ross will share his story of mental wellness as he provides students with coping mechanisms on how to manage their own mental health as well as empower them to learn how to gather the necessary tools to be successful. For more information about this student school assembly, please contact the Student/Employee Welfare Gateway to Success Division at **(626) 943-3410**.
