## WPS Summer Reading Program

May 18, 2017

Dear Parent / Guardian,

I want to introduce to you and ask that you encourage your child to participate in our Summer Reading Program. Our Summer Reading Program is designed to reinforce the reading strategies they learned this year and to motivate our students to extend their reading during the summer vacation. Our program is very simple. Just follow these easy steps:

1. **Choose a book.** Students can choose the books and they can be read at their own pace. Our goal is simply to provide opportunities for children to read for both learning and enjoyment.
2. **Record what your child read.** Attached is a "Summer Reading Program Log". Simply keep a record of your child's reading. I encourage you to post the log in a visible location and with your assistance, allow your child to record his/her summer reading.
3. **Return the completed log.** Please return the completed log at the beginning of next school year. You may return it to our front office, your child's teacher, or at a designated location during Open House.

At the beginning of next school year, all students who return a completed Summer Reading Program Log will be treated to a Summer Readers Celebration. At the celebration, each student will receive a free book and other surprises. To attend this celebration, a minimum of fifteen (15) books must be logged.

Enjoy your summer vacation and keep on reading!

Cordially,

Sam Adkins,  
Principal
