### Superintendent's message

LEUSD is well positioned for the 2018 school year! The collaboration between voters, parents, teachers and staff has resulted in student achievement growth, improved facilities and playing fields under Measure V, and new instructional technology for classrooms. Under our state accountability system, the Fall 2017 update to the California School Dashboard was recently released. The Dashboard provides teachers and principals with valuable performance data that is examined weekly during their PLC collaboration time, and used to guide instruction. The current Dashboard shows LEUSD schools are making progress. LEUSD improved in several areas, though English Language Arts and Math growth indicators are little changed from a year ago, a trend statewide. The Dashboard is powered by six state indicators and four local indicators, along with a variety of custom reports by which to compare schools, districts, and student subgroups. Dashboard color codes reflect status and change to depict achievement growth ranging from Red (lowest) to Blue (highest). LEUSD performance highlights: **SUSPENSION RATES**—by lowering suspensions, results for the 'Suspension' indicator have IMPROVED from orange to yellow, changing from a high suspension rating to a medium suspension rating. **'EL' PROGRESS**—English Learners IMPROVED from yellow to green, changing from 'Medium' to 'High' as a result of an additional 3.1% students making progress towards English proficiency. **GRADUATION RATE**—this indicator has IMPROVED from green to blue. The District continues to have a 'High' rating due to an increase in graduating students of 1.5%. **COLLEGE/CAREER PREPAREDNESS**—growing College & Career Preparedness is an area for increased attention. The CA School Dashboard shows 35.2% of LEUSD graduates as being 'Prepared.' The State will not have a color indicator for College & Career Preparedness until 2018, but notably, LEUSD 11th grade students' ELA and Mathematics scaled scores increased in both areas respectively by 0.3 points and 4.2 points, a positive college readiness indicator. **CHRONIC ABSENTEEISM**—for the first time, the CA Schools Dashboard includes District and school Chronic Absenteeism rates, though a Chronic Absenteeism color indicator does not appear on the Fall 2017 report. District wide, LEUSD's Chronically Absent statistic is 12.8%. LEUSD met all local indicators for implementing state standards, providing safe school facilities, adequate books and instructional materials, as well as meeting indicators for school climate, and student and parent engagement. View how LEUSD is performing at [www.caschooldashboard.org](http://www.caschooldashboard.org). These are positive indicators, so let's be mindful of the many positive accomplishments of 2017 to help set the bar high for 2018. Sincerely, Dr. Doug Kimberly, Superintendent

### Principal's Message

At Canyon Lake Middle School (CLMS) we feel it is extremely important to meet the diverse needs of all students. We are currently implementing the following programs: Gifted and Talented Education (GATE), English Language Development (ELD), Special Education for students with learning disabilities, and various Intervention Programs (IP) designed to assist students in meeting grade-level standards. In addition, we are proud to offer students the opportunity to participate in the Avenues Via Individual Determination (AVID) program, which is a high-quality college preparation program. All of our student programs are consistently evaluated to identify ways to further develop and improve them.

In addition to our strong academic programs, we also offer band, choir, drama, dance, cheer, art, and computer technology that further enrich the academic experience of all students. Leadership opportunities also exist for students through ASB, PLUS, and club activities. Our PTSA is also very active at our site. We have dances, events, and field trips throughout the year. We welcome all to become a member of the Canyon Lake Family!

### Our Belief Statement

The Canyon Lake Middle School culture holds that all students are unique individuals and can learn. Our collaborative staff is committed to caring and valuing all members of our community while supporting student achievement. We will create and maintain a rich, rigorous, and evolving curriculum through continuous professional development. Our students will progress beyond comprehension of basic concepts, enabling them to synthesize and apply their learning to new situations.

### Vision Statement

All Canyon Lake Middle School Community Members:

- \*Work Collaboratively with a Respectful, Positive Attitude to Observe, Share, and Cooperate
- \*All members of our community will participate in a collaborative group
- \*Teachers will participate in horizontal and vertical groups
- \*Meeting dates/times are scheduled on a school year calendar

Engage in Active and Reciprocal Teaching/Learning Experiences to Continually Examine, Reflect, Refine, and Grow

- \*Plan, scope and sequence w/ common assessments and benchmark testing
- \*Share student results identifying strengths and weaknesses
- \*Continue to enhance instructional practices with the increased use of instructional technology.
- \*Schedule observations to share strategies with collaborative group members

Develop Support Programs and Interventions to Enhance Learning

- \*Continuous efforts to improve intervention programs to provide support for students who struggle academically
- \*Administrative support to improve the learning of all community members

Foster Responsibility and Contribution of All Members by Providing Leadership Roles to Instill Self-Worth and Value

- \*Increase the number of leadership positions held by members of our school community
- \*Increase the opportunity for parent engagement and involvement in the school community

### About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

**A. Conditions of Learning**

**State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)**

Lake Elsinore Unified School District chooses instructional materials which are aligned to State content standards, present a broad spectrum of knowledge and viewpoints, reflect society’s diversity, and enhance the use of multiple teaching strategies and technologies. Materials for grades K-8 are chosen from the State-adopted list. Materials for grades 9-12 are evaluated and recommended by subject area teachers. Curriculum and textbook subcommittees are comprised of teachers (subject or grade level) and administrators. The subcommittee recommends instructional materials to the Curriculum Advisory Committee (CAC), which has representatives from every school. The CAC evaluates and recommends materials to the school board, which makes the final approval of all adopted instructional materials. Parents and community members may review adopted materials at the District office.

### School Facility Conditions and Planned Improvements (Most Recent Year)

The Lake Elsinore Unified School District (LEUSD) is committed to maintaining a safe, secure, and aesthetically pleasing environment for our students. The LEUSD Governing Board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the school office and at the District Office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. In addition to District-level support of routine and periodic maintenance needs, LEUSD holds high standards for cleanliness, appearance, and good repair of all campuses daily and maintains them through the efforts of the students, staff, day custodian, evening custodial crew, and District Maintenance Department. Our maintenance staff ensures the repairs necessary to keep the school in good repair and working order are completed in a timely manner.

A work-order process is used to ensure efficient service and that emergency repairs are given the highest priority. LEUSD regularly assesses maintenance, modernization, and new construction needs. Any pesticide use at our school sites is in compliance with the Healthy Schools Act of 2000.

Fire drill evacuations are conducted on a monthly basis at all elementary and middle schools, and twice a year at the high schools in the District. A fire safety inspection is conducted once each year by the Riverside County Fire Department, while site personnel conduct site inspections on a regular basis.

The school's Disaster Preparedness Plan is updated annually, and disaster drills are conducted four times per year at each elementary school and middle school, and once each semester at the high schools.

Currently, the District provides storage areas for emergency supplies to be kept on campus in the event of a disaster. A radio communication system allows for continuous communication with the District office in the event of a disaster.

A Crisis Intervention Team has been identified and trained to deal with stress experienced by students and staff as a result of a crisis situation. Team members are called upon to assist across the District as necessary. As part of the comprehensive School Safety Program, School Resource Officers provide prevention and intervention procedures on all LEUSD campuses at least part time.

Our school was built in 2002. It has 26 regular classrooms, six science labs, eight portables, a library, a computer lab, a multipurpose room, and five special education rooms. The designed capacity of the school is 1,300 students. Athletic facilities include a gym, dance room, and outside courts and fields.

A progressive discipline plan is in place and multiple discipline and Character Counts assemblies are conducted throughout the year. Four campus supervisors and a part-time School Resource Officer also help maintain a safe environment. The WE TIP program is utilized so that students may report crime anonymously and all leads are followed up immediately.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2016-17 CAASPP Results for All Students

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Socioeconomically Disadvantaged	233	228	97.9	72.4
Students with Disabilities	50	47	94.0	38.3

\* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Students with Disabilities	106	104	98.11	9.62
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2017-18)

Canyon Lake Middle School encourages parents to be involved in their child's education. We offer many opportunities for parent participation, including:

- \*Volunteering in the classroom and/or office
- \*Participating in School Site Council
- \*Volunteering for PTSA activities
- \*Participating in ELAC
- \*Chaperoning various school functions and on field trips.
- \*Contributing to school to public communications
- \*Attending Family Engagement Functions
- \*Observing Student Recognition, performances, and athletic competitions

For more information on how to become involved at the school, please contact Secretary Mary Maxwell at (951) 244-2123.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### School Safety Plan

Our School Safety Plan was reviewed by our School Site Council in February 2016, and updates were presented for review to our Governing Board in March 2016. The School Safety Plan was last reviewed and discussed with the school faculty October 2015.

The Safe School Plan (SSP) is updated annually at each site to address components that the site will proactively seek to improve as it relates to student and staff safety. The SSP is available to the public for review upon request.

The Comprehensive Safe School Plan is fully incorporated in the Single Plan for Student Achievement, Goal Seven, and includes data regarding the California Healthy Kids Survey, crime, safe school procedures, and compliance with laws including: (1) child abuse reporting, (2) disaster response and crisis intervention, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, and (9) rules and procedures on school discipline adopted pursuant to California Education Code Sections 35291 and 35291.5.

#### Professional Development provided for Teachers

Each year, LEUSD strongly supports and encourages teachers, administrators, and support staff to participate in professional development on a regular basis throughout the school year. LEUSD first priority is to provide assistance for teachers and classroom Para-Educators. Workshops and trainings scheduled throughout the year are based on the academic needs of students. Offerings include data analysis, curriculum and content knowledge, Standards-based instruction, instructional strategies, and leadership skills. Subsequent to initial training, follow up and coaching take place districtwide.

The District's goal is to provide opportunities for teachers, administrators, and staff in order to meet the learning needs of all students. An in-house professional growth program is provided for all staff.

### Types of Services Funded

These programs and supplemental services are provided at the school either through categorical funds or other sources that support and assist students:

- Intensive Language Arts Intervention
- Intensive Mathematics Intervention
- Resource Specialist Program (RSP)
- Special Day Class (SDC), Intervention Teacher Support and English Language Development

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
