 Re-enter Password

Student Name (**First and Last Name**)
 Access ID – Use the access id that was issued on the attached letter
 Access Password – Use the access password that was issued on the attached letter
 Relationship – choose from the pull down menu

When you are finished filling out all fields above click on enter. You will now be able to login with the username and password you have created.

If you have more than one student in the district you will only need to create one account. Each student will have their own access id and access password
****Go to your student(s) school web page for the Parent Portal User Guide****
