**All Saints Catholic School Meeting Minutes for School Advisory Committee (SAC)
November 8, 2017, 6:30– 8:00 pm
Location: Room 110**

Meeting Opening

- Prayer
- October minutes approved

Reports Principal's Report – Carol Margarit

Marathon Update:

- Goal is \$45,000. Final number was \$47, 262.34.

Veteran's Day

- We decided to keep it low key this year.
- Next year, we will have a bigger celebration (every other year).

Open House for Parishioners and New Families – November 12 from 10:00-1:00.

- Working with Chris Mattson to create a short video for Facebook.
- CSCOE will pay for Facebook ad.
- Sent postcards out to families with young children.
- St. Michael's in Farmington added it to their bulletins.
- Risen Savior did not have room. Lynn Hamel was going to create a flyer to send to them to post.

Scoreboard and Cage

- Scoreboard is going up November 21.
- Helm Electric coming in on November 22.
- Once it is up, we will have someone come in to give us a quote for an electric shade to cover it.

Band Concerts

- Winter concert will be at Farmington High School at no cost.
- The high school band director and students will conduct a clinic for the students from 4:30-5:30.
- They will have a pizza party and the concert will begin at 7:00 pm.
- I suggested the star notes they sell be given to the band director to purchase something they need for their program.

Accreditation

- Staff is beginning to work on the self-study.
- It is suggested to complete student, teachers, and, possibly, parishioner surveys. I will contact other principals for suggestions/examples of these surveys.

Suggestion Box

Please refresh the lunch menu. Food fuels the minds. Each month seems to be the same hot dogs, pizza, boring subs sandwiches, etc. There is no variety, freshness or creativity to the menu. My kids refuse to eat hot lunch because they describe most of the meals as gross. Maybe Mr Chinn could research menus from other schools to get some ideas. Not expecting gourmet meals but less bland and starchy options.

- The meals are tied to the nutrition restrictions/requirements.
- Mr. Chinn is initiating contact with cooks at other Catholic school to collaborate on ways to improve the lunch program.
- We will survey the students about new lunch menu options. Create a list of about 10 choices for them to choose from and rate.
- Have a weekly suggestion box for the students?

I had heard there was thought of adding Destination Imagination or the YEL Lego team... When is it possible to add these? My kids want to participate in other activities but there isn't much here unless they are older

- We offer Abrakadoodle (art), Chess, Spanish and Scouts for K-5 students.
- Most sports start in 4th grade. Swimming begins in Kindergarten.
- Mrs. Margarit will check into other options through YEL.

Sub-Committee Reports

Finance Committee

- We are at a loss at this point due to supplies needed to be purchased for the beginning of the school year.
- Getting together with finance chairs of All Saints and St. Michael's

Policy Committee
