Arts, CSU Stanislaus, Military, Foster Farms,

Hiring Fair

Is your son or daughter interested in getting a job now, during the summer or while in college?

All seniors will be attending the Merced County Hiring Fair on March 6th. Some of the things they will be doing to get ready:

1. Working on their resume and letter of introduction in their English class
2. Discussions on dressing for an interview
3. Practicing interview skills at Career fair
4. Applying for jobs online
5. Preparing their portfolios

STAYING SAFE OFF CAMPUS

Student safety is of the utmost importance. Due to the open campus policy at DPHS our students interact with our community on a daily basis. As a reminder and learning opportunity please have a conversation with your child regarding the importance of being aware of their surroundings. In a situation in which they feel uncomfortable while off campus we encourage them to please report any suspicious or uncomfortable behavior to our local police department and DPHS administration.

Tips to be safe:

1. Know your resources (911 and DPHS Admin.)
2. Stay Alert and observant
3. Be careful about posting your location
4. Turn your music down/take your ear phone off.
5. Use the buddy system
