

The Navarro ISD School Health Advisory Council

Is seeking new members!

The NISD SHAC serves as an advisory council which provides recommendations, changes and/or additions to the school's health education curriculum and instruction for consideration by the School Board. The council will address the continued implementation of a coordinated health program including health education, physical education, health services, nutrition services, counseling, healthy school environment, staff health promotion and family/community involvement. A minimal time investment (4 meetings per year) on your part can lead to an excellent opportunity to impact your child's experience in NISD.

If you are interested in serving on the SHAC, please complete the application below and email or fax it to:

Heather Janysek, RN, BSN
SHAC Committee Member
heather.janysek@nisd.us
830-379-3145 (fax) 830-372-1933 (office)
