## California Department of Education School Accountability Report Card Reported Using Data from the 2015-16 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2016-17)

The primary vision of Redondo Beach Learning Academy is to ensure equal access to a quality standards-based curriculum and to provide preparation to meet the assessment requirements all students must attain, as well as, to excite, motivate, and support the students' quest for education. The ultimate vision is to prepare students for a seamless re-entry into high school as each individual completes a high school program that is comparable to any RBUSD student's educational preparation. Excellent attendance, educational success, and improved behavior are the main focus of the Redondo Beach Learning Academy's program.

The mission of the Redondo Beach Learning Academy is to ensure that every student has the opportunity to access an educational program whose content is rigorously equal to the coursework offered to all high school students in Redondo Beach Unified School District regardless of race, color, creed, language ability, socioeconomic status, physical ability, and other challenges experienced by teens in the 21st Century. The goal is to provide a challenging academic curriculum and resiliency training to high-risk youth referred by expulsion or a School Attendance Review Board. The students, staff, and parents of the Redondo Beach Learning Academy work as a team to promote and grow pride in learning. Staff members believe that every student can learn and should be challenged to achieve his/her potential regardless of their previous academic performance, family background, or socioeconomic status in a positive school environment.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

#### Opportunities for Parental Involvement (School Year 2016-17)

Parents are encouraged to become involved in their child’s experience at RBLA in a variety of ways. Parents attend all intake and transition meetings, student progress meetings, and fall and spring parent conferences. The staff also communicate regularly with parents through phone, email, and written correspondence, so parents are kept abreast of student achievement and progress. Parents are invited to all alternative education parent workshops and are encouraged to enroll in classes at the South Bay Adult School, located on the same campus, as a way to help emphasize the importance of education for their children.

### State Priority: Pupil Engagement

## School Safety Plan (School Year 2016-17)

The Redondo Beach Unified School District has developed Comprehensive School Safety Plans and coordinated school crisis response procedures in partnership with law enforcement and emergency response organizations. The Comprehensive School Safety Plans meet the requirements of the annual Safety Plan Process under California SB 187. As stated in SB 187, school safety plans are updated annually with participation from staff and additional stakeholders in a School Site Council.

District schools have also developed a "Grab and Go" guide to supplement the Comprehensive School Safety Plans. The Grab and Go guides detail teacher and staff procedures in an actual emergency, in addition to site emergency response teams.

## Professional Development

The Redondo Beach Unified School District is focusing staff professional development (PD) in three main areas: effective instructional strategies aligned to Common Core State Standards (CCSS) at school sites; use of technology in instruction; and the implementation of Positive Behavioral Intervention and Supports (PBIS) in all schools. While the current PD does focus on instruction and curriculum in mathematics and English Language Arts (ELA), the RBUSD is also developing PD for the Next Generation Science Standards (NGSS) and social science standards.

The RBUSD is engaged in a multi-layered approach to delivering PD. The District provides PD through: teacher release time; conference attendance; one-day workshops; mentoring; and after-school, "early out" days. The elementary schools utilize weekly collaborative planning time through the implementation of a School Instructional Leadership Team and grade level leads.

The use of student data is critical to better assess and support individual student development. The District provides training on our student data management, Illuminate Education, to analyze individual and aggregate student progress. Elementary teachers and secondary math teachers utilize the Tenmarks math program both to assign and assess student performance. All of the above teachers have had PD training on the Tenmarks program.

Internal PD offerings are supplemented by partnering with external professional development organizations, including universities such as LMU and UCLA. Our partners advise on the District's program development and provide PD for teachers and administration on instructional programs for all students.

The District is designing a teacher coaching model in concert with the Redondo Beach Teachers Association to mentor teacher development in: differentiating instruction; developing CCSS aligned lesson plans; as well as English Language Development aligned instruction strategies to better support our English Learner student population.

Our new teachers are supported at school sites and at the District level through the Beginning Teacher Support and Assessments (BTSA) Program where each new teacher is mentored by a BTSA support provider. By working within BTSA, a new teacher receives support and resources to improve their teaching pedagogy.

Through the collective bargaining process, additional paid professional development days have been added to the teacher work calendar (1 additional day in 2015-2016, 2 additional days in 2016-2017 and 2017-2018).
