Dear Junior Students and Parents/Guardians:

Spotswood High School Counseling Services will be nominating two male junior students to attend the American Legion Jersey Boys State which will take place at Rider University from Sunday, June 17 through Friday, June 22, 2018.

The American Legion Jersey Boys State has a strong tradition of education, patriotism and excellence in the development of tomorrow's leaders at our week-long hands-on program. The mission of American Legion Jersey Boys State is to develop good citizens in the United States of America by inspiring the youth of New Jersey to take a more active and intelligent interest in the operation of our State and Nation and in the privileges and responsibilities of citizenship and to understand the sacrifices made by our veterans to preserve our nation and way of life.

To apply, interested **male junior students** should complete the Boys State survey on Naviance (under the About Me tab) by February 9, 2018. All students who apply will be interviewed by our school counselors on February 13, 2018 to discuss their desire to represent our high school at Boys State. Students will receive a pass in homeroom with their interview time.

For more information about the Boys State program, please visit their website at www.aljbs.org.

If you have any questions, please contact your school counselor.

Sincerely,

School Counseling Services
