

Healthcare/STEM/Engineering/Technology

College: Augustana College

Program: Anatomy of an Injury

Interest: Medicine

Website: <https://www.augustana.edu/academics/summer-academy/anatomy-of-injury>

College: Augustana College

Program: CSI Augustana

Interest: STEM: Forensics

Website: <https://www.augustana.edu/academics/summer-academy/csi-augustana>

College: Augustana College

Program: The art, science and industry of Coding

Interest: STEM/Technology

Website: <https://www.augustana.edu/academics/summer-academy/art-of-coding>

College: Boston University

Program: Academic Immersion: Medicine

Interest: Medicine

Website: <https://www.bu.edu/summer/high-school-programs/academic-immersion/medicine.shtml>

College: Brown University

Program: STEM II

Interest: STEM: Engineering

Website: <http://www.brown.edu/academics/pre-college/stem/apply.php>

College: Camp Cardiac

Program: Camp Cardiac

Interest: Medicine

Website: <http://www.campcardiac.org/description.html>

College: Carnegie Mellon

Program: Science, Math, Technology

Interest: STEM

Website: <http://www.niu.edu/extprograms/summer-camps/visual-arts.shtml>

College: Girls Who Code

Program: Girls Who Code

Interest: STEM: Computer Science, Coding, Tech industry

Website: <https://girlswhocode.com/summer-immersion-programs/>

College: Cornell University
Program: Cornell University CATALYST Program
Interest: STEM: Engineering
Website: <https://sites.coecis.cornell.edu/catalystacademy/academy-overview/>

College: Duke University
Program: Duke Nuero Camp
Interest: Medicine
Website: <https://summersession.duke.edu/high-school-students/duke-youth-programs>

College: Duke University
Program: Intensive STEM Academy
Interest: STEM
Website: <https://summersession.duke.edu/high-school-students/intensive-stem-academy/frequently-asked-questions>

College: Duke University
Program: Biosciences & Engineering Camp for High School
Interest: STEM
Website: <https://summersession.duke.edu/high-school-students/duke-youth-programs>

College: Girls Who Code
Program: Girls Who Code
Interest: STEM
Website: <https://girlswhocode.com/summer-immersion-programs/>

College: Howard University
Program: High School Summer Enrichment Science Academy
Interest: STEM: Science
Website: <http://healthsciences.howard.edu/education/colleges/pharmacy/center-excellence/components/summer-enrichment/high-school-academy>

College: Illinois Institute of Technology
Program: Experiment in Architecture
Interest: Architecture
Website: <http://arch.iit.edu/study/eia>

College: Illinois Institute of Technology
Program: Computational Science
Interest: STEM
Website: <https://admissions.iit.edu/summer/computational-science-course>

College: Illinois Institute of Technology
Program: Global Leaders Program
Interest: STEM
Website: <https://itglp.fluidreview.com>

College: Illinois Institute of Technology
Program: Introduction to Robotics and Automation
Interest: STEM, Robotics
Website: <http://admissions.iit.edu/summer/intro-robotics>

College: Illinois Institute of Technology
Program: Freelance Coder Camp
Interest: STEM: Computer Science
Website: <http://admissions.iit.edu/summer/freelance-coder-camp>

College: Illinois Institute of Technology
Program: Introduction to Engineering and Design
Interest: STEM: Engineering
Website: <http://admissions.iit.edu/summer/introduction-engineering-and-design>

College: Illinois Institute of Technology
Program: Biology Summer Program
Interest: STEM: Science
Website: <http://admissions.iit.edu/summer/biology-summer-program>

College: Loyola University Chicago
Program: One Week Seminars
Interest: Medicine/Psych
Website: <https://www.luc.edu/summerscholars/one-weekseminars/>

College: Loyola University Chicago
Program: One Week Seminars
Interest: STEM
Website: <https://www.luc.edu/summerscholars/one-weekseminars/>

College: Marquette University
Program: Health Careers Opportunity Program
Interest: Health and Medicine
Website: <http://www.marquette.edu/health-careers-opportunities/programs-for-high-school-students.php>

College: Metro High School
Program: METRO HIGH SCHOOL SUMMER APPRENTICESHIPS
Interest: STEM: Engineering
Website: <http://www.midtown-metro.org/apply>

College: Midwestern university
Program: Careers in Pharmacy Summer Program
Interest: Medicine: Pharmacy
Website:
[https://www.midwestern.edu/programs and admission/il pharmacy/careers in pharmacy program.html](https://www.midwestern.edu/programs%20and%20admission/il%20pharmacy/careers%20in%20pharmacy%20program.html)

College: Missouri University
Program: Engineering
Interest: STEM: Engineering
Website: <http://engineering.missouri.edu/high-school-summer-camp/eligibility/>

College: Putney Summer Arts Program
Program: Putney Summer Arts Program
Interest: STEM: Engineering
Website: <http://summer.putneyschool.org>

College: Santa Clara University
Program: Summer Engineering Seminar
Interest: STEM: Engineering
Website: <https://www.scu.edu/engineering/beyond-the-classroom/outreach/summer-engineering-seminar-ses/>

College: Spelman College
Program: Early College Program
Interest: Medicine: Biology
Website: <https://www.spelman.edu/academics/summer-programs/early-college-program>

College: Spelman College
Program: Early College Program
Interest: STEM: Math
Website: <https://www.spelman.edu/academics/summer-programs/early-college-program>

College: Tennessee State University
Program: National Summer Transportation Institute – N.S.T.I.
Interest: STEM: Engineering
Website: [http://www.tnstate.edu/engineering/precollege/Application NSTI 2017.doc](http://www.tnstate.edu/engineering/precollege/Application%20NSTI%202017.doc)

College: Tuskegee

Program: AgriTREK/SciTREK Summer Institute

Interest: STEM: Agricultural Science, STEM

Website: <https://www.tuskegee.edu/programs-courses/colleges-schools/caens/conferences-workshops/agritrekscitrek>

College: Tuskegee

Program: AgDiscovery Summer Program

Interest: STEM: animal science, veterinary medicine, agribusiness and plant pathology

Website: <https://www.tuskegee.edu/programs-courses/colleges-schools/caens/conferences-workshops/agritrekscitrek>

College: Tuskegee University

Program: PACT

Interest: Architecture and Construction

Website:

<http://www.tuskegee.edu/academics/colleges/school of architecture and construction science/pact summer program/faq.aspx>

College: Tuskegee University

Program: AgDiscovery

Interest: STEM: Agricultural science

Website: <https://www.tuskegee.edu/programs-courses/colleges-schools/caens/conferences-workshops/agritrekscitrek>

College: Tuskegee University

Program: Tuskegee University Minority Introduction to Engineering

Interest: STEM: Engineering

Website: www.tuskegee.edu/Global/story.asp?S=1172479

College: Tuskegee University

Program: AgriTREK/SciTREK Summer Institute

Interest: STEM: Environmental Studies

Website:

<http://www.tuskegee.edu/sites/www/Uploads/Users/732/Files/CAENS/AgriTrek/2016%20AgriTREK%20SciTREK%20Brochure.010416.pdf>

College: UIC

Program: Chance Program / STEM academy

Interest: STEM

Website: <http://chance.uic.edu/>

College: University of Chicago
Program: Neubauer Family Adelante Summer Scholars
Interest: Medicine: Biology
Website: <https://summer.uchicago.edu/high-school/neubauer-summer-scholars>

College: University of Chicago
Program: Young Scholars Program
Interest: STEM: Math
Website: <http://www.math.uchicago.edu/ysp/overview.html>

College: University of IL - Urbana Champaign
Program: Exploring Nuclear, Plasma and Radiological Engineering
Interest: STEM: Engineering
Website: <https://wyse.engineering.illinois.edu/summer-camps/important-dates/>

College: University of IL - Urbana Champaign
Program: USDA Ag Discovery Programs
Interest: STEM: Plant, animal and veterinary sciences
Website: <https://academics.aces.illinois.edu/diversity/ag-discovery>

College: University of IL - Urbana Champaign
Program: Research Apprentice Program
Interest: STEM: Science (Food, Biotech, Behavior, Health), Technology, Engineering, Math
Website: <https://academics.aces.illinois.edu/diversity/research-apprentice-program>

College: University of IL Urbana Champaign
Program: Discover Architecture
Interest: Architecture
Website: <https://engage.illinois.edu/entry/31850>

College: University of Michigan
Program: ArcStart
Interest: Architecture/Architecture Design
Website: <https://taubmancollege.umich.edu/architecture/high-school-programs/arcstart>

College: University of Michigan
Program: Michigan Summer Sciences Pre-College Exposure Academy (MHSPEA)
Interest: Health and Medicine
Website: <http://tinyurl.com/MHSSIPrecollege>

College: University of Michigan
Program: Michigan Math and Science Scholars (MMSS)
Interest: STEM
Website: <http://www.math.lsa.umich.edu/mmss/index.html>

College: University of Michigan
Program: Summer Engineering Academy
Interest: STEM: Engineering
Website: <http://cedo.engin.umich.edu/diversity/programs/k12/sea/>

College: University of Michigan - Ann Arbor
Program: ArchStart
Interest: Architecture
Website: <http://www.taubmancollege.umich.edu/architecture/high-school-programs/arcstart>

College: Worcester Polytechnic Institute (WPI)
Program: Frontiers
Interest: STEM
Website: <https://www.wpi.edu/academics/pre-collegiate/summer/stem-residential/frontiers>

College: Xavier University of Louisiana
Program: SOAR: Stress On Analytical Reasoning
Interest: Science and health careers
Website: <http://www.xula.edu/summerprograms/documents/SOARflyer.pdf>
