Re: Building Exterior Doors

Given the safety concerns currently shared by all the educational stakeholders of our schools, please note that all the exterior doors of both the elementary and intermediate campus will remain locked at all times during the school day indefinitely—that is, for the rest of this week and thereafter. If you have any questions in this regard, please feel free to contact me at 1-361-384-9398, at either extension 1300 or 1301. I will be more than happy to visit with you in this regard.

Thanks,

Mr. Arnold Diaz, Principal
