

Replacing Textbooks

If you must replace a textbook due to theft, loss or damage, you may do one of the following:

- ***Pay the replacement cost set by the district.*** Payment plans are available. If your book is found or returned in good condition, you may be issued a refund.
- ***Replace the textbook.*** Textbooks may be purchased from online sources, such as Amazon.com. The replacement textbook must be the same ISBN number and in new condition without writing or damage. Often times textbooks purchased this way are significantly cheaper. If your original textbook is found or returned in good condition, you will **not** be issued a refund for the replacement textbook. You are just the proud owner of a textbook. **A \$5.00 barcode replacement charge will be added.**

If you have any questions or concerns contact the Textbook Technician in the Library (222-1220 X 132).
