

# Freshmen “To Do List”

- Keep and study your school curriculum guide. Understand:
  - Graduation requirements
  - Athletic requirements
  - Testing
  - College/Career class requirements
- Become involved with your school and community. Join clubs, athletics, school government, etc. Find a job and volunteer in the community.
- Start a savings account
- Learn study skills and time management
- Be serious about your grades and the classes you take- grades matter!
- Take challenging classes such as AP Courses.
- Talk with your parents and counselor about your high school plan, as needed.
- Take advantage of college campus trips and other opportunities offered at the school.
- Ask for help when needed- talk to teachers, counselor, go to the Coaching Center in the library.
