

CONFIDENTIAL

Random drug testing is included in the program and is confidential. The service provider will only contact the parent if a child tests positive for drugs or alcohol.

The school and District will not be notified of any test results.

FREE SERVICE

The CADRE program is a free service offered to all Hart District students.

EMPOWERING

The CADRE program empowers students by giving them a tool to say NO to drug and alcohol use. The program provides parents with assurances that their sons and daughters are not using drugs or alcohol.

Please visit the Hart District website to print the enrollment form today!

Web: hartdistrict.org/apps/pages/CADRE

For more information about CADRE, please speak with your school administrator or contact Student Services at (661) 259-0033 ext. 212.
