

## **Van Buren County Parent Advisory Committee (PAC)**

PAC members serve as support persons to other parents, helping them through the special education process. PAC members can be resources for information regarding Special Education Law, Parent Rights, School Programs and Services, and Agency Programs and Services. PAC members also work as liaisons between the Van Buren ISD and the local school district. Members are nominated by local School Boards, upon recommendation of an administrator within the district. Final authority rests with the Van Buren ISD Board.

PAC meetings are scheduled four times each year and are open to the public. Please refer to the Van Buren ISD Calendar, available on website, to view the schedule of upcoming PAC meetings. Additional PAC member or district information is also available through the Van Buren ISD website.

If you are interested in becoming a PAC member and representing Hartford Public Schools please contact,

Amy Wotring

VBISD PAC Liaison

(269) 539-5376
