## Press Release – Kemp ISD Athletic Director/Head Football Coach

Last night at a special board meeting, the Kemp ISD Board of Trustees announced the choice for the new District Athletic Director/Head Football Coach. The board named Lee Wilkins as the selection for the position. Coach Wilkins has 20 years coaching experience, most recently as the Assistant Head Coach/Defensive Coordinator at Kingwood Park HS in the Houston area. He was also the head coach at Princeton High School, in which he achieved a 30-15 record over 4 seasons, and included the school's first district championship in over 37 years. Coach Wilkins stated, "I am excited to lead the athletic program for Kemp ISD, and am looking forward to being a Yellowjacket. My goal as AD/HFC is to help our students exceed expectations, and make sure that our staff has the support they need to ensure student success." Kemp ISD Superintendent, Phil Edwards, stated, "Coach Wilkins will be a great fit for our students, our schools, and our community. His knowledge and energy will build on the outstanding athletic achievements that we have seen this year."
