DISCLAIMER

This comprehensive plan was developed by the Wyoming Department of Education (WDE) in cooperation with AdvancED Wyoming to align state and federal plan requirements to a common framework. This document meets the requirements of both the WDE and AdvancED for school continuous improvement.

COMPREHENSIVE PLAN DIRECTIONS

Writing Plans

There are three domains: Teaching and Learning, Leadership Capacity and Resource Utilization. For each domain:

1. ASSESS NEEDS

- Read related research, evaluate student performance and stakeholder survey data, and self-evaluate using the AdvancED rubrics to rate the level of implementation for each indicator as needs improvement, acceptable, or effective practice, or 1, 2, 3 or 4.
- Indicators rated as **Level 4 on the AdvancED rubric are effective practices**. Indicators rated as **3 are acceptable**. Indicators rated as **1 or 2 are needs improvement**.

2. STATUTORY ASSURANCES

- Review the statutes aligned to the indicators to ensure the school is meeting the requirements of Wyoming statute and applicable Federal statutes. [Statutory authority](#) is included in a separate document.

3. SUMMARY OF PRACTICES

- For indicators marked as Effective Practice, Title 1 Plan and School Improvement Grant (SIG) requirements, schools will write a summary of the school's approach to implementation of the applicable requirements. All schools may have effective practices and all schools may write summaries for any or all indicators, even those not marked as an Effective Practice.

4. IMPROVEMENT PLANS

- Based on the needs identified, write an improvement plan for each domain. All schools are required to complete improvement plans every five years for accreditation. All schools write improvement plans annually if required by state and/or federal statute. At least one of the improvement goals should reflect the intent to improve WAEA indicator scores.
- Plans for small schools (those that don't receive a school performance rating) should address all WAEA indicators.

Plan Submission

- Submit plans to the district superintendent for signature. Plans that require board approval will also be signed by the district board chairman.
- Post the signed plan on the district web site in .pdf format or as a view-only shared file.
- Send a link to Accreditation Consultant/Dianne Frazer at the Wyoming Department of Education (WDE) by December 7. (Dianne.Frazer@wyo.gov)
- Upload plan through the AdvancED Assurances in ASSIST every five years for accreditation.

WDE Representative Assistance

- The plan template is currently available from WDE in Google Docs and as an Adobe Acrobat Form. Plans can be converted to Microsoft Word. Plan templates can be developed in other collaborative formats if necessary.
- WDE representatives will work collaboratively with schools using Google Docs (or another collaborative format) to develop school plans as required by W.S.21-2-204(f).
