
**CAPUCHIN FRANCISCANS HERITAGE SOCIETY PRESENTS A
PLANNED GIVING SEMINAR**

The Capuchin Franciscans have been privileged to serve Our Lady of Angels Parish family for nearly a century and owe a great debt of gratitude to the founding families who over the past four generations have been so generous in donating their financial resources – funds, assets and land. These gifts have sustained the Capuchin Friars in ministry to OLA’s Community for many years, and we are blessed to serve and committed to serving future generations of parishioners.

With this in mind, we will implement a Planned Giving Program, The Capuchin Franciscans Heritage Society, to support our Province into the future. This program is designed for those who are interested in remembering the Capuchin Franciscans in their estate plans.

To initiate the Capuchin Franciscans Heritage Society, we invite you to attend a presentation hosted by professionals in OLA Parish who specialize in Estate Planning, wills, trusts, major gifts, tax and other estate planning options that could benefit your families and the Capuchins. We hope by attending the presentation, you will gain important information that will assist you in your estate planning and benefit future generations.

For your convenience, two seminars will be hosted and refreshments will be served. Please join us:
