

## **Board Briefs**

### **December 2017**

*This document has been created by the superintendent to help communicate with the staff and community what is happening at Caldwell ISD.*

The board met on Monday, December 18, 2017. The superintendent gave the following reports or recognitions.

1. Mr. Peters recognized our Fall Student Athletes and Coaches.
2. Mr. Peters recognized our Employee of the Month (first). Mr. James Barron, works in maintenance/grounds for his customer service friendly attention to visitors at Football games.
3. A brief update on the facility issues was presented. HVAC at HS is underway with development.
4. The public hearings for TAPR and Financial Accountability took place. Both show Caldwell doing well.
5. New Business:
6. The board heard a presentation from US Capital Advisors on bonds and how they could serve as financial advisor to the ISD. The board hired US Capital Advisors.
7. The principals shared a brief look at their Improvement Plans and the Assist. Supt reported on the process and the ISD improvement plan.
8. Local Policy 108 was approved.
9. The board member continue ed credits were stated per state requirements.
10. A status report from the Perdue Law Firm tax attorney was given.
11. An agreement with the County and City was ratified so we could share in a School Resource Officer.
12. The tax attorney discussed a tax sale in closed session and it was approved in open session.
13. Next Board meeting is January 22, 2018
