

**Career Go~Get~It Week**  
**March 2~6, 2015**  
**George Washington Carver**  
**6<sup>th</sup> Grade STEM Learning Center**

**Monday**- Students will attend a career fair where they will get to meet work professionals in a myriad of careers. They will learn about what these individuals do and how they chose the career field they are in.

**Tuesday**- **“Rep Your Career Day”**- Students will be allowed to dress in professional attire representative of the career they will pursue in college.

**Wednesday**- Mock STAAR Testing

**Thursday**- Mock STAAR Testing

**Friday**- Students will attend a career fair where they will get to meet work professionals in a myriad of careers. They will learn about what these individuals do and how they chose the career field they are in.

**\*Career Week related activities throughout the week!**

- All school monitors will have specific jobs displayed that highlight careers in the district promoted pipelines.
- Career week will be highlighted on the campus marquee and the campus website.
- An insert about career week will be sent home to share the week’s activities with parents.
