

Roosevelt Elementary School

Todd Beam, Principal

Dear Parents,

I would like to welcome you to the 2017-2018 school year! I hope your summer has gone well, and your students are excited for the beginning of the new school year. I anticipate a wonderful year as we strive to foster a culture of learning. Beginning this year, students will be given the opportunity to have a new classroom teacher each year as we have moved away from the looping model. The RES staff is excited for this change as they will have the chance to work closely with many new families and students each year. Please know we will still focus on building and maintaining strong relationships, and student learning will continue to be our highest priority!

Class lists will be posted on Friday, August 11, after 3:30 p.m. so feel free to stop by RES with your child to see who their teacher will be for the upcoming school year. I also hope you and your family will be able to attend our Back to School Night on Monday, August 14, from 5:00-6:30 P.M. This is a great opportunity for students to come in and meet their classroom teacher, and they are also welcome to bring school supplies and get settled before grades 1-5 begin their first day of school on Tuesday, August 15 at 8:05 A.M. Just a reminder that Kindergarten students will start school on Wednesday, August 16 and our PreK students will begin on Monday, August 28.

USD 418 calendars will be available at a later date in August and will be available at either the RES Office or the USD 418 Central Office. School supply lists can also be printed from this website or copies can be found at the McPherson Wal-Mart.

Looking forward to a great year at Roosevelt Elementary!! I hope you all enjoy the final days of summer!

Sincerely,

Todd Beam
RES Principal
