

SUPERINTENDENT'S MESSAGE

August 2018

Back to School Information

We are fast approaching the start of the school year and are looking forward to another great school year. The first day of school is Wednesday, August 22nd and will be a full day of attendance. Please note the school day will start at 8:45 a.m. and end at 3:15 p.m. for all students.

With the start of school, families face challenges ranging from early wake up calls, shorter daylight hours, and anxiousness about starting school to many more. Listed below are some tips for starting school:

- During the first few days of school create a routine to follow-Homework, outside time, bedtime etc.
- Ask your child about his/her feelings about starting school- both the excitement and concerns
- Stress to your child that you will work as a team to tackle the difficulties together and encourage them to hit their "TURBO BUTTON"

PTO Back to School Picnic

We would like to invite everyone to the PTO Back to School Picnic on Thursday, August 16th from 5:30 p.m. - 7:00 p.m. This is a great opportunity for students and families to get together, enjoy some food and enjoy one last night before the start of school. There will be plenty of fun activities, raffles, and an opportunity to climb aboard the Hillside Fire Truck and Police Humvee.

2018-2019 Student Registration REMINDER

The 2018-2019 Student Registration process is coming to a close and if you have not registered, we ask that you complete the process ASAP to ensure that your child starts promptly on the first day of school.

Parents/guardians must complete the online registration process, return all required forms, and provide proof of residency in order to be completely registered. This year's registration fee is \$100 per student. Per the Administrative Procedures for Board Policy 7:160 Student Residency, all families must provide proof of residency within the district.

The Main Office and Administrative Staff will be available to assist with online registration and proof of residency.

Yours in Education,
Dr. Kevin L. Suchinski
