Music News from Ms. McKamey

Our young musicians are hard at work!

School Band members (gr. 6-8) are rehearsing Christmas music for their performance next month! The eager fifth graders in Beg. Band are exploring the world of instrumental music!

They are now in the method book and many exciting adventures await them!

All band members are asked to report their home practice efforts each week. Reviewing at home, being on time for class and being prepared by having their instrument, music and stand with them twice a week is vital to their progress!

Parents: On band days, PLEASE make sure they have their equipment with them when they get in the car for home!

Your support is greatly appreciated!!

Stewardship of Giving

All families receiving the in-parish tuition rate are expected to complete a "Stewardship of Treasure" form from their parish each year in November. Now is the time! Don't forget to do this now to continue to be eligible to apply for the in-parish rate in February 2017.

Whether a family is paying the in-parish rate or is receiving additional tuition assistance, all Catholic families attending St. Anthony School are being helped with funding the education of their children from their parish.
