To All Park City Prep Families:

We are beginning to recruit new students for the coming 2018 - 2019 school year. As is our policy, we give siblings of current students, and of former graduates, priority admission, as long as there are seats available. At this time, we estimate accepting approximately 96 students into next year's grade 5 class.

If you have a **child who is currently in grade 4, he or she is eligible for priority admission as long as you complete the new, ONLINE application.** Siblings for whom we receive an application will be admitted **before any other students are accepted.**

We will be filling an entire, new grade 5 class for next year. At this time, we do not know whether or not we will be adding any new students to grades 6, 7 or 8.

If you are applying for next year's grade 5, please submit **your application(s) before the end of January** so that your child's place in next year's class can be reserved before we admit other students through the lottery.

When you complete the application, be sure to indicate which **Parent Information Meetings** you will attend:

- ***Evening Meetings: February 21, @ 5:30; March 7, @ 5:30; March 28, @ 5:30***
- ***Morning Meeting: February 14, @9:30; March 14, @ 9:30***

Again, siblings currently in grade 4 will be the first students admitted to our grade 5 class for the 2018-2019 school year, **as long as an application is submitted and there are seats available** .

You can access the application from "APPLICATION" in the menu listings our website at:

[http://www.parkcityprep.org/](http://www.parkcityprep.org)

Please submit your applications as soon as possible!

NOTE: Please forward this process to family and friends. Remember that your children will have priority for admission over them but there are many other places available at this time.

Very truly yours,

Bruce Ravage, Executive Director
