

help better prepare our children for the future challenges they will face and to compete in an ever-changing global marketplace. Be a part of building Owasso's future by investing today in Owasso's most precious resource, **our children**.

Ways to Invest

In an effort to support the Owasso School District's already excellent educational system, a group of concerned civic-minded citizens acted on David Boren's Educational Excellence Program philosophy and incorporated the Owasso Education Foundation (OEF). The OEF provides an avenue through its "Grants-to-Teachers Program" for energetic and enthused educators to obtain additional funding for new, unique, and innovative teaching tools and techniques that otherwise would not be available through traditional school funding.

Since its humble beginnings in May of 1990 when almost all the money from fund-raising events was dispersed for grants, to present, where seventy percent (70%) of annual net earnings plus one hundred percent (100%) of endowment interest income is made available annually, the OEF has awarded approximately \$500,000 in grants.

Additional academic opportunities beyond the scope of traditional funding is possible because of tax deductible contributions made by the many great Owasso corporate and supportive citizens who believe their financial support of the OEF is an investment in Owasso's future.

You, too, can play a part in building Owasso's future by making "An Investment in Educational Excellence," the motto of the OEF. Your donation can

Corporate Sponsorship Opportunities

The Owasso Education Foundation offers two signature events each year to facilitate corporate sponsorship and contributions.

- The Patriot Golf Classic is held each spring at the breath-taking Patriot Golf Course. Besides opportunities to be a corporate sponsor, the event provides a perfect backdrop for team-building and networking with other community leaders.
- The Holiday Home Tour is held each December and features lovely homes and cottages nestled in beautiful Stone Canyon. This event not only helps us get in the holiday season of giving, but provides a purposeful evening of entertainment and fun, all for the benefit of our Owasso students and teachers.

For more information about how you or your business can become a corporate partner with the Owasso Education Foundation, please call (918) 272-5367, visit www.owasso.k12.ok.us/oef.cfm, or write to:

Owasso Public Schools

Providing a world-class education for personal success, citizenship, leadership, and character.

Owasso Education Foundation

- Your tax deductible contribution stays in Owasso to benefit your children, grandchildren, and great-grandchildren.
- Approximately \$500,000 has been awarded since the Foundation's inception.
- Administrative costs are minimal as there is no paid staff. Almost every penny of your investment goes directly into "Grants-to-Teachers."
- The Grants-to-Teachers program allows teachers to submit grant proposals twice a year. These proposals are reviewed anonymously by a Selection Committee. The selection criterion encourages submission of grant applications for projects that are innovative, creative, and technology progressive.
- Memorial gifts or Living Tributes may be given to the Foundation at any time.
- Two annual events to benefit the Foundation are the Patriot Golf Classic in the spring and the Holiday Home Tour in the fall.
- The Foundation is a charitable corporation established to accept and administer gifts for the exclusive benefit of the students and teachers residing in or served by the Owasso School System. As an organization described in Section 501(c)(3) of the Internal Revenue Code, contributions are deductible under Section 170(b)(1)(A)(IV).
