Walk-a-thon

On Friday, April 20th, we will be holding our 5th annual Walk-a-thon. We are asking students to find people to sponsor them in this event. Sponsors have a choice to set a monetary amount per lap a student intends to complete or can name a maximum amount that they are willing to contribute to the student. Checks should be made out to KEY Academy. All proceeds will go to help beautify our campus!

We will start at 9:00 am and will end at 12:30pm. School will be dismissed right after at 12:45pm. Everyone is welcome to come. During the Walk-a-thon there will be different stations for students to stop by at.

We are looking for volunteers to help at the different stations, as well as for any donations in the form of water, snacks, or money. Every little bit helps!

Almost Time

April is going to be "Show What You Know" month for all our students. Students in grades 3-8 will show their knowledge through the CAASPP test starting the week of April 23rd. They have worked hard all year and now is the time to demonstrate their skills. Please help us support this message by reinforcing the hard work your child has put into their learning. Remind them that learning takes place at school and at home! Make sure they get rest the night before, eat a healthy breakfast, and come to school on time.

Having students come to school every day is very important for their educational progression and keeps them from falling behind. It is also important because our school gets money for every student that is in attendance each day. Our goal is to have 100% attendance each month!

For the month of **March**, our average school attendance was **95%**. Good job!

School attendance figures for the month of **March** by class:

- Kinder (Ms. Colleen) – 94%
- 1st (Mr. Jesus) – 93%
