*Honors Level Available

**El Camino Community College Coursework

*** For incoming frosh students who successfully passed Spanish I in middle school

Junipero Serra High School

Sequence of Coursework

2017-2018

Course Selection/Schedule Changes - The master schedule is based upon student requirements and requests for courses made at the time of registration during spring. Course enrollment requires satisfaction of pre-requisites and the timely request by students to enroll. As a result of changing enrollment and required course listings for state and college requirements/admissions, the availability of priority choices for class schedules cannot be guaranteed. Scheduling conflicts may necessitate a change in the sequencing and/or programming of a student's "first choice" of course selections. Requests to change course schedules may be made during the designated dates and times scheduled by the counseling department in the summer. Changes of course selections may not be made to accommodate a request for a particular faculty instructor or class section. Requests for changes following official registration payment dates and/or designated counseling dates may not be granted due to scheduling constraints. No schedule change requests will be made following the second week of the quarter. **Please refer to the Parent-Student Handbook—Academic section for the process to request changes of the course selection.**

Honors/AP/El Camino Course Eligibility – Honors/El Camino courses are offered to students who maintain a total cumulative GPA of at least 3.2, meet the pre-requisite course requirement, and are recommended by the pre-requisite course teacher. AP courses are offered to students who meet the previous stated requirements in addition to meeting the College Board AP Potential recommendation. Students who have any outstanding classes to make-up *may not* enroll in Honors/AP/El Camino coursework. All Honors/AP/El Camino course entrances must have final approval by the Director of Academic Counseling / Assistant-Principal.

Student Name: _____ Current Grade:_____

Date: _____

PLEASE FILL OUT THE APPROPRIATE BOXES BELOW TO REQUEST COURSEWORK FOR THE UPCOMING SCHOOL YEAR. FAILURE TO COMPLETE ACCURATELY WILL FORFEIT YOUR PRIORITY OF CLASS CHOICE IN SCHEDULING FOR THE 2017-2018 SCHOOL YEAR.

Religion	English	Mathematics	Science	Social Science	Foreign Language/ G-Elective	VPA/G-Elective
