

Request for Transportation To & From a Designated Child Care Facility or Grandparent's Residence

A State licensed child-care facility as defined by Sec. 42.002, Texas Human Resources Code or a grandparent's home may be used as a student's transportation address. The address of the licensed child-care facility or grandparent's home must be within the bus zone for the student's campus of attendance. Inter-District/Intra-District Transfer students will not be transported. Students may only ride to and from a single address; whether it is their home, grandparent's home, or child-care facility.
