### **Athletic Transportation - Donation**

The Galt Joint Union High School District currently intends to continue providing bus transportation to all athletic events. Because this is a significant cost to the District, we are asking parents/guardians of student athletes to consider a donation to help defray these costs. For parents/guardians who can help us meet the expenses for the Athletic Transportation program, we ask that you consider a contribution of \$75.00 per student/per sport, or any other amount that you wish to donate. **Donations may be deductible for tax purposes.**

As with all donations provided to the District by our parents, booster groups, and other supporters, because the District relies upon such amounts in managing its finances, your donation will not be cancelled or reimbursed should your student athlete later resign or be removed from the final team roster.

No student athlete will be denied bus transportation for athletic events, nor face any other adverse consequence, should a parent/guardian not make a contribution in support of the Athletic Transportation program.
