Thank you for registering your child at Our Lady of Grace Catholic School. We look forward to a rewarding partnership in your child's educational and spiritual growth.

All families are required to register for the FACTS tuition payment plan. You will be able to register beginning February 1, 2018 and must be registered by May 1, 2018 in order for your registration to be complete.

There is a link on the homepage of our website, www.olgscott.net, to FACTS. Simply click on the link and follow the instructions.

If you are planning to volunteer at the school or for your child's class you must first complete the online database at www.diopitt.org (see attached instructions). The link for registering is under Protecting God's Children on the left hand side of the website. Once this is complete you will be asked to complete a child welfare application. Lastly, you must complete the online training for "Protecting God's Children" and "Mandated Reporting." Links for these can also be found on the above website. Only those who have **completed** this process will be permitted to volunteer for school related activities.
