Re: School Bus Video Camera Guidelines

Dear Comfort ISD Parents and Students,

The safety and security of all students is one of the primary goals of Comfort ISD. Every child will have the opportunity to ride a school bus during their school years. One of the tools the District has elected to put in place to provide a safe and secure environment is the installation of video cameras on school busses.

Enclosed with this letter are the guidelines for the use and viewing of the recordings on the school busses. If you have any questions or concerns about the process, please contact one of the campus principals or myself.

Have a Great Day!

Leslie Vann  
Superintendent  
Comfort ISD
