Target Donation

Take Charge of Education, launched in April 1997, brings the Target tradition of giving to the heart of our communities. Our school is earning free money every single day! It comes to us thanks to all of you currently participating in the Target Take Charge of Education school fundraising program.

Through the Take Charge of Education program, Target donates an amount equal to 1% of REDcardSM (Target Visa and Target Card) purchases made at Target and Target.com, and 1/2% of Target Visa purchases made elsewhere, to the eligible K-12 school of your choice. Schools receive their donations twice a year, and funds accumulate all year long. Visit <http://www.target.com/tcoe>.
