<p>The PTO/STEP is the main fundraising arm of the school. The PTO works through the DCSD Foundation, so it operates as a 501c3.</p> <p>Two times a year they launch a <b>STEM GIVES</b> program that encourages parents to give to the school. The goal that they have set for this year is \$100,000.</p> <p>During the STEM GIVES promotion, you may also choose to use the Business Match program and double your donation.</p> <p><b>Where does the money go?</b> The PTO Works directly with the STEM Administrative team to identify the greatest school needs. Following this, the PTO selects its funding goals for the year and spending is voted on by the PTO members. Final spending is approved and reviewed by the STEM Administrative team.</p> <p>For more information of the PTO and fundraising, visit the <a href="#">PTO website</a> or contact the <a href="#">PTO leadership</a>.</p>	<p>Direct Giving to STEM School Highlands Ranch is handled through RevTrak.</p> <p>The allows families and community members to log onto our website and give directly to the school at any time.</p> <p>The school is not a 501c3, but it is a non-profit, so all donations are tax-deductible.</p> <p>There are a few reasons you may choose to make your donations through RevTrak:</p> <ul style="list-style-type: none"> <li>○ Raising money for a particular class</li> <li>○ You want complete control of exactly where your donation is used - a designated area or curriculum</li> <li>○ You are a community member and value the education STEM School Highlands Ranch provides.</li> </ul> <p><a href="#">Link here to give directly to STEM through RevTrak</a></p>	<p>STEM School Highlands Ranch also has a Business Match 501c3 arm for donations.</p> <p>This allows families and community members to donate directly to the school, but also allows them to take advantage of the Business Match. The Business Match only works for 501c3 designated organizations.</p> <p>For more information on direct giving with a business match <a href="#">email here</a>.</p> <p><a href="#">Also, check here to see if your business offers a business match for 501c3 organizations.</a></p>
