Parents, Guardians, Students, and Alumni:

Welcome to Lincoln Park High School, home of the Railsplitters! I hope that this finds each of you well. I am Jennifer Borg, the proud principal of Lincoln Park High School.

The first graduating class of LPHS was in 1961, so this past year was our 55th graduating class! Having been recognized by US News and World Report as one of our nation's top schools in 2014 & 2016, we intend to continue on our path of academic excellence.

This year promises to be one of high quality instruction occurring in every classroom, resulting in high levels of learning where decisions made focus first on the children we serve. Through the philosophy of "educational excellence for every student, every day," the teachers and staff at LPHS will significantly touch the lives of your sons and daughters.

LPHS has much to offer! From our excellent academic programs such as Advanced Placement classes, Dual Credit Courses, CTE Programs, and an Early Middle College, we also offer a variety of enriching club activities and athletic programs; there truly is something for everyone!

I believe the education of our children is the shared responsibility of students, parents, families, community, and school staff. I look forward to working with each of these groups as we join efforts to benefit the children who attend LPHS. Please feel free to contact me when you want to share encouraging news and/or express concerns related to Lincoln Park High School.

Go Railsplitters!

Jennifer Borg
Principal
