Dear Parents,

School will soon be starting and many of the children ride the school buses. For you who will have children riding the bus I would like your help with getting the children ready for their bus ride.

Please instruct them in the following:

- While waiting for the bus:
  - Stand and wait for the bus on the side of the road you live on
  - Be at the stop 5 minutes prior to your scheduled bus pick up time.
  - Stand 10 feet back from the roadway while waiting for your bus.
  - Wait until the bus is stopped and the driver motions to you, to cross the street to board the bus.
  
- Upon entering the bus:
  - Go directly to your seat.
  - Take your back pack off and put it on your lap or on the floor in front of you.
  - Sit on your pockets with your back against the seat back.
  - Keep your hands to yourself.
  - Talk in a quiet voice to those near you.
  - Listen to the bus driver and follow instructions when spoken to.

When leaving the bus check for your belongings, exit the bus per driver instructions and go directly home.

The bus driver will be going over the bus rules during the next couple weeks.
