- I. Introductions
- II. Safety Audit Information
- III. Child Nutrition Update
- IV. AED Inventory
- V. Health Curriculum
 - a. Lifetime Wellness
 - b. Human Sexuality
- VI. Physical Education Requirements
- VII. Campus Events/Programs

Meeting Minutes

Chris Miller called meeting to order at 3:00p.m.

Minutes from December meeting were reviewed.

Mr. Miller started meeting discussing Safety Audit which is up for renewal this year. Mr. Miller discussed the process involving campus surveys as well as surveys for instructional, counseling, parents and nursing staff. Discussed some of the things that might happen on campus and time frame for audit procedures.

Child Nutrition Update

Ann Edwards gave committee a child nutrition update. Discussed the promotions that were going on within the department. Question was asked if changes in government would lead to changes in nutritional guidelines. Mrs. Edwards stated that she did not think so. Many of the regulations have been in place for many years. Restrictions have not changed as much as they have tightened. Discusses upcoming National School Breakfast week as well as annual audit taking place by USDA.

AED Inventory

Mr. Miller stated that all campuses needed to update their AED inventory at this time. Deborah Kaspar discussed the need for AED placement for band, dolls and ag students at Columbia High School.

Health Curriculum

Mr. Miller discussed the health curriculum in the district. Board policy EHAA legal was reviewed and discussed.

Mr. Miller stated that CHS was looking at changing traditional health course to Lifetime Nutrition and Wellness. This course is a CTE course. It will benefit the students at CHS with their coherent sequences as set forth by HB 5. Junior high students will take the traditional Health course as they have done in years past. Finding certified teacher for the new course could be helped by District of Innovation.

Human Sexuality – campuses discussed procedures on campus and how it connects with board policy. No changes or suggestion were made at this time.

Discussion about elementary discussion. Currently taking place at in of 5th grade year.

Suggestion was made to move down to fourth grade. No action taken.

Opt out procedures are in place at all campuses.

Physical Education Requirements

Board policy on district PE requirements were discussed. Campuses commented on policies and procedures on the campus level. No changes or suggestions were made at this time.

Campus Events/Programs

Health Matters will be visiting the district on April 3 and April 4th. Campus schedule has not been set yet.

Flu - According to the county, flu cases are up over last year. Symptoms are milder but overall flu cases has increased. Preventive measures are being promoted on all campuses.

CHS Be a Champion program – After school program that is providing meals for kids involved in extra-curricular programs. Actually is available to all students between 4 and 19. Meals are served between 2:50 and 3:45. CHS students are being hired to work for program. Currently they are feeding 125-150 kids a day. Plans are to expand to other campuses in the near future.
