

Hutchinson Middle School is planning a trip for our 6th grade students to Arrowhead Ranch in Lake Arrowhead!

The dates for 6th Grade Science Camp are Monday, January 29-February 2, 2018. It is a 5-day 4-night trip that includes transportation, lodging, meals and all science activities and experiences. The cost per student is \$285. Fundraising opportunities are planned to assist you with the cost of the trip.

Students planning to attend Science Camp should complete the Registration Form and turn it in to Heather Jaeger in the office with a \$65 non-refundable deposit. There is limited space so it is first-come first-served.

Arrowhead Ranch Outdoor Science School teaches from the California State Board of Education, Science Framework. The adaptation of the written words for sixth grade students is used in a hands-on learning style. The kids are here to hike, hear, see, feel, touch and smell the Science concepts beyond the classroom. They are able to interact with nature and our natural surroundings.

The Outdoor Science School curriculum emphasizes:

- The biological sciences
- The earth sciences
- Conservation and wise use of natural resources
- Recreation, arts, crafts and music
- Health education
- Cooperative living

Specific classes include Botany, Geology, Astronomy, Meteorology/Water Cycle, Ecology, Habitats & Adaptations, Energy, Native American Studies, and the Night Hike.

More information about this experience can be found on the website:

6th Grade Science Camp Information

Please fill out the Registration Form and return to Mrs. Jaeger in the main office with a \$65 non-refundable deposit. There is limited space so it is first-come first-served.

\$285 donation includes transportation to and from Arrowhead Ranch, all meals, lodging, outdoor education materials, camp medical insurance, and qualified outdoor education instruction. Fundraising opportunities will be organized to help pay for Science Camp, however, all students who wish to attend, may attend, regardless of ability to pay or participation in fundraising activities.

If paying by check, please include the student's name and "6th Grade Science Camp" in the memo field. Checks should be made out to Hutchinson ASB.

Aug 24, 2017 until spaces filled \$65 deposit (applied to total cost)
Deposit is non-refundable

By January 11, 2018 \$220 remaining balance due
You may make payments to Mrs. Jaeger at any time before Jan. 11, 2018.

Camp Forms Checklist:
