**Please note:**

Any student in grades 1-12 is eligible for GT referral. However, only students who meet the district's requirements will qualify for services. We recognize that all children have gifts and talents, but when we refer to "gifted" in an academic context, we are aligning with the federal Elementary and Secondary Act definition of giftedness which states: "The term 'gifted and talented,' when used with respect to students, children, or youth, means students, children, or youth who give evidence of high achievement capability in such areas as intellectual, creative, artistic, or leadership capacity, or in specific academic fields, and who need services or activities not ordinarily provided by the school in order to fully develop those capabilities." - See more at: [National Association for Gifted Children](#)

Godley ISD accepts referrals until the last day of February each year. Please note that students who are referred will be pulled from class several times for testing. At the completion of testing and scoring the GT committee will meet to analyze data and determine whether or not the student qualifies for gifted services. Parents will be notified of results and the students who qualify will begin services during the 2018-2019 school year.
