G3: FIELD TRIPS

Policy

The Milton Town School Board recognizes that first-hand learning experiences provided by field trips can be an effective and worthwhile means of learning. The School Trustees endorse the use of field trips as extensions of classroom experiences to support the District Strategic Plan of Action. It is the desire of the School Trustees to encourage field trips as an integral part of the educational programs of the schools.

- This policy and associated procedures apply to all school sponsored/endorsed class field trips.
- All overnight trips require School Board approval.
- Private vehicles may be used on a limited basis with prior approval of the Principal/Instructional Leader.
- Principal shall be responsible for implementation of this policy on a daily basis.

The Superintendent shall establish, monitor and modify as necessary the procedures and forms necessary to carry out this policy.
