## April

Habit of Mind:

### Finding Humor

Laugh a little! Finding the whimsical, incongruous and unexpected. Being able to laugh at oneself.

### Spring Break

There will be no school April 17th-21st. School will resume Monday, April 24th. Please make sure students are continuing to look up information about the 4 habitats we are learning about and the animals that live in them. They need to be thinking about what type of animal they are going to invent.

Please make sure to pick up Independent Study if your child is absent from school. This makes sure the absence is considered excused and helps his/her class earn rewards.
