PHILOSOPHY OF GROLEE ELEMENTARY SCHOOL

We the staff of Grolee Elementary, are cognizant of the vital role of the elementary school in the educational process. We believe that the elementary school builds the foundation for future learning and that the school is not the sole influence. We give credence to the home, church, and community as partners in the education of each individual.

It is our belief that learning activities must deal with intrinsic self, reflecting positive values. Variety and unity of curriculum with attention to children's individual needs, experiences, and interest are essential. Learning should not only be structured, but spontaneous and flexible. Motivation and stimulation, through interaction between student and teacher, compels active learning processes. Through this interaction, both student and teacher permeate the learning process.

Furthermore, we believe that each child must be given the opportunity to grow socially, emotionally, physically, and intellectually, in accordance with his or her abilities. In the development of the total child, we aspire that each individual will become a thoughtful, respectful, and productive member of society.

"Many Hands, Many Hearts, ONE Goal!!!"

Welcome back to another exciting year at Grolee Elementary!

We are excited to announce that we are now a Leader In Me School. The Leader In Me incorporates seven leadership principles into our daily practice and provides leadership opportunities to the students.

As your Instructional Leader, I am excited for the opportunity to create an environment where the students will receive a high quality education. I look forward to building positive relationships with the stakeholders of our great school. I firmly believe in the power of relationships. Without a strong, positive relationship, the journey to greatness will be tough. Open communication will be a major contributor to the relationship building process.

Keep in mind that "WE" are a team. Every stakeholder must be involved in this process. I urge all parents to take an active role in the educational process. Together, we can make a difference!

Again, I am so excited to be a part of the Grolee Elementary Family. I anticipate a very successful school year and look forward to working with all of you.

Sincerely,

Mr. Singleton

The principal of each school shall make the final decision about proper or improper dress according to the guidelines provided. St. Landry Parish School Board Discipline Policy

ALTHOUGH THE ULTIMATE RESPONSIBILITY FOR STUDENT CONDUCT RESTS WITH THE STUDENT AND THE PARENTS/LEGAL GUARDIAN, IT IS THE DAILY RESPONSIBILITY OF SCHOOL PERSONNEL TO SEE THAT NO SINGLE PERSON INTERFERES WITH THE TOTAL-LEARNING ENVIRONMENT OF OTHER STUDENTS. THE SCHOOL DEMONSTRATES CONCERN FOR THE GROUP AND ITS WELFARE BY PRESERVING THE PROPER AT- MOSPHERE FOR TEACHING AND LEARNING.

The St. Landry Parish School Board takes a position of "ZERO TOLERANCE" with regard to weapons, explosives, physical attacks or batteries, fighting, and illegal narcotics, drugs, alcohol, and controlled substances. Such conduct will not be tolerated by the School Board. These offenses require immediate recommendation for expulsion.

The disciplinary measures taken should be positive, constructive, and directed toward serving educational ends. They should be taken with parental involvement and notification. The purpose of all disciplinary action is to mold future behavior and to teach the student that education is a right qualified by compliance with reasonable rules and regulations and that there will be consequences for non-compliance.

Deviations of behavior may result in attendance at Saturday School, Time-out rooms, Character Action Training classes, suspensions, and/or expulsions. It is the express policy of the School Board to utilize alternatives to suspensions and expulsions and to reserve the use of suspensions and expulsions as the last step in progressive discipline based on the nature of the offense.

As prescribed by law, every teacher is authorized to hold every student to a strict accountability for any disorderly conduct in school or on the playground of the school or on any street, road, or school bus going to or returning from school and during intermissions or recesses (La. R.S. 17:416).

It is the final authority of the principal or a designee to maintain discipline during the school day and at any school function. Keeping the school safe is of such a serious nature that it is necessary to prohibit the use of any object as a weapon on the school grounds or bus. Suspensions and expulsions of a student with disabilities shall be handled in accordance with the requirements of state and federal laws and regulations applicable to such students. Copies of such laws and regulations may be obtained from the Special Education Department.

Dear Parent(s):

We are working to create a school culture where the learning environment is conducive to learning. We do care about your child and we have his/her best interest at heart. As a parent of students attending Grolee Elementary, you may have the choice as to whether corporal punishment (spanking, paddling) will be administered to your child.

In the event you choose not to have corporal punishment administered to your child for those actions which justify such use, you may be asked to come to school immediately and take your child home with you. Grolee must continue to be a disciplined school where learning takes place.

Respectfully yours,

Brandon Singleton

Please DO NOT administer corporal punishment to my child/children. I will come to school and bring my child home.

You may administer corporal punishment in a reasonable, fair and impartial manner after other means of solving discipline problems have been explored and failed.
